MINNEAPOLIS - The University of Minnesota men's hockey team begins a nine-game homestand Oct. 22-23 when it hosts the third-ranked Fighting Hawks of North Dakota for a sold-out series at 3M Arena at Mariucci.

WATCH THE PRIDE ON ICE

Minnesota and FOX9 are continuing their local television partnership for a fourth-straight year that will cover 15 home games across the regular season and exhibition schedule this season. Affinity Plus Federal Credit Union serves as the title sponsor for the TV coverage, while the home broadcasts on FOX9 and FOX9+ will again feature a 30-minute Pride on Ice Pre-Game Show presented by Fairview as well as a post-game show recapping the action presented by RBC Wealth Management. The Gophers will also have a mix of 10 home and road games broadcast on Big Ten Network as well as one on FS1 this season.

LAST TIME ON THE ICE

Minnesota dropped the series opener at No. 9 UMD Friday night, 7-1, before earning a shootout victory following a 2-2 tie Saturday at AMSOIL Arena. Jacob Kvasnicka scored his first collegiate goal in Friday's loss, but the Bulldogs capitalized on three power-play opportunities during a three-minute stretch of a major penalty in the second period. On Saturday, Brodie Ziemer scored twice in the second period, including a power-play tally, to erase a two-goal deficit and force overtime. Luca Di Pasquo made seven saves in the extra session to secure the tie. Wyatt Cullen and LJ Mooney each converted on their attempts to win the shootout over the in-state foe.

CAPTAIN ZIEMER BREAKS THROUGH

Coming off a career-high 23 goals in 2025-26, Gophers captain Brodie Ziemer scored his first goals of the 2026-27 season Saturday at Duluth, finding the back of the net twice in the second period, six minutes apart. His eighth career multi-goal game helped Minnesota erase a deficit against the top-10 Bulldogs. The Chaska, Minn., native now has two career multi-goal games at AMSOIL Arena and 37 goals wearing the Maroon and Gold.

CAPITALIZING WITH THE EXTRA MAN

Mason Moe put away the first power-play goal of his career in game two at Michigan Tech, scoring the team's first 5-on-4 goal of 2026-27. Brodie Ziemer put away the 13th power-play goal of his career to pull even with UMD in the second period last Saturday, which snapped a stretch of 21-straight penalties killed off by the Bulldogs to enter the season. Minnesota's power play is converting at a 26.5 percent rate this season (2-for-7), ranking 11th in the NCAA.

DEFENSE PROVIDING OFFENSE

The Gophers have scored only six times in their first four appearances with their defensemen helping drive play in five of the tucks, totaling six of the team's 17 points. Freshman Axel Löfgren picked up a helper in both games versus the Huskies, while fellow newcomer along the blue line, Evan Murr, has an assist in the final game of both series played. Löfgren and Murr sit tied with three other

skaters for the scoring lead with two points. Tanner Henricks and Finn Loftus have also chipped in with helpers among Minnesota's defensemen.

NEW FACES, NEW HELPERS

Of the 11 total assists accumulated through two series in 2026-27, 10 have come from newcomers to the lineup. Freshman Brooks Cullen recorded a helper in two of his first three appearances before his brother secured the first point of his NCAA career on the man advantage at UMD on Saturday. Austin Burnevik also found his name on the scoresheet for the first time wearing the Maroon and Gold versus the Bulldogs. The other six assists were registered by Gopher defensemen as previously mentioned, while Beckett Hendrickson is the only returning player to tally an assist.

MURR, ZIEMER LAND USCS SPOTS

Minnesota newcomer Evan Murr was one of six players named to the initial 2026 U.S. Collegiate Selects Team earlier this month, while Brodie Ziemer was added to the roster last week. The two will represent the Gophers at the 2026 Spengler Cup this December at Eisstadion Davos in Davos, Switzerland. The USCS open play on Saturday, Dec. 26 against Frölunda HC of Sweden before facing host HC Davos on either Dec. 27 or Dec. 28. The USCS roster, which will feature 25 student-athletes from all six NCAA Division I conferences, will continue to be announced in the coming months.

HOMESTAND FOR THE HISTORY BOOKS

Minnesota begins its longest single-season homestand in 3M Arena at Mariucci history Thursday against North Dakota, opening a nine-game stretch that runs through Nov. 27 against Minnesota State. The Gophers will look to capitalize on the extended home slate before closing out the 2026 portion of their schedule with two road series. Minnesota will not return to campus until Jan. 2, 2027, when it hosts Bemidji State in an exhibition. The nine-game homestand is the program's longest since a 10-game stretch at Williams Arena from Dec. 2, 1983, to Jan. 7, 1984.

AN INSIDE LOOK AT NORTH DAKOTA

The Fighting Hawks bring an unblemished 4-0-0 record to Dinkytown for the border rivalry and are coming off a series sweep of Bentley where they did not concede a goal after winning 5-0 both nights. UND's power play is operating at a 37.5 percent clip (6-for-16), which ranks third in the NCAA and its penalty kill is a perfect 9-for-9 on the year. The team is averaging more than four goals per game offensively with six players scoring multiple goals, while Will Zellers has a team-best six points, all of which came during the opening series against Bemidji State. Goaltenders Jan Spunar and Caleb Heil are both 2-0-0, but it was the freshman Heil that had an impressive college hockey start, posting back-to-back shutouts of the Falcons.

HISTORY WITH THE FIGHTING HAWKS

Minnesota holds a 152-138-16 (.523) record in the all-time series versus the rival Fighting Hawks, including an 80-54-8 (.592) mark in home games. The last four series played between the two teams have ended in a split with six of those eight meetings taking place in Grand Forks, N.D. The Gophers bounced back for a 5-1 road win to cap the weekend a season ago, handing Dane Jackson his first loss as UND's head coach. The Maroon and Gold scored four times in the third period to break a 1-1 tie and earn the split last October aided by a three-point performance from Brody Lamb and Luca Di Pasquo's 23-save effort. The last time the Fighting Hawks visited 3M Arena at Mariucci, the teams exchanged overtime wins, with Matthew Knies sealing the victory on Oct. 21, 2022.

MAKING HOME ICE COUNT

Minnesota has posted a winning record at 3M Arena at Mariucci in 31 of the building's 33 seasons, with the only exceptions coming in 2010-11 when the team finished 9-10-3 and 2025-26 with a record of 7-11-2. Since the end of 2011, the Gophers have built a 195-84-20 home record and recorded double-digit home wins in 14-straight seasons before that streak ended last season. That strong stretch has been fueled by Big Ten success, as Minnesota owns a 42-18-3 record in home conference games since the start of 2021.

LIFTING THE STANLEY CUP

The end of the 2025-26 National Hockey League season again featured the Maroon and Gold as Mike Reilly and the Carolina Hurricanes lifted the Stanley Cup. It marked the fifth-straight season where a former Gopher won an NHL title and had his named engraved onto the greatest trophy in sports, a feat that no other NCAA program has accomplished during the 21st century. Reilly became the 15th player or coach representing Minnesota to win the Stanley Cup, following Erik Johnson (Colorado Avalanche-2022), Phil Kessel (Vegas Golden Knights-2023), and Kyle Okposo (Florida Panthers-2024), and Nate Schmidt (Florida Panthers-2025) in the recent stretch of champions.

TAKING DOWN THE TOP 10

A year ago, the Gophers picked up six of their 11 total victories against teams ranked in the top 10, including a home sweep of No. 8/7 Wisconsin at home to close the month of January. Minnesota is 0-1-1 against the top 10 to start the year after facing No. 9 Minnesota Duluth last weekend as head coach Brett Larson will get a chance to face one of the nation's toughest schedules in his first year at the helm of the Maroon and Gold. The Gophers are set to play 20 games versus teams that were ranked in the top five at some point last season and 28 of 34 games against teams ranked or receiving votes in the 2026-27 preseason polls, including 16 games versus the top six.

GOPHER NOTES CONTINUED

SHOOTOUT STARS

After going more than 2,000 days and 11-consecutive shootouts without a victory from 2020 to 2025, the Gophers quickly turned their fortunes around last year, winning all three shootouts and quickly won their first of 2026-27 on Saturday in Duluth. The streak was officially snapped on Oct. 10, 2025, against Boston College when Tanner Ludtke and LJ Mooney each converted, while goaltender Nathan Airey stopped both Eagles' attempts to secure the Gophers' first shootout win since Feb. 14, 2020, at Notre Dame. Minnesota went on to pick up shootout wins over Notre Dame on Feb. 13 and Mar. 6 against Michigan State to close the regular season. Mooney is now a perfect 3-for-3 in career shootout attempts after scoring against the Bulldogs.

SEASON-OPENING SCORING TREND

During their season opener at Michigan Tech, a pair of Gophers found themselves in familiar territory by scoring in the first game of the year. Sophomore Tate Pritchard put away Minnesota's first goal of 2026-27 after he scored his first NCAA goal during his debut last season versus the Huskies. Junior Beckett Hendrickson took his early scoring prowess to another level as he now has a goal in every season opener of his three-year tenure.

LARSON TAKES CHARGE

Brett Larson took over as the leader of the Maroon and Gold when he was hired as the 13th full-time coach in program history on March 24, 2026. He brings 16 years of collegiate coaching experience to campus, having recently served as the head coach at St. Cloud State for the last eight seasons. He guided the Huskies to four NCAA tournament appearances, two NCHC championships and the program's first-ever national championship game appearance in 2021. He left SCSU with 153 career wins, the fourth-most victories in program history, and was the 2019 NCHC Coach of the Year.

REVAMPED COACHING STAFF

Minnesota maintained a majority of its coaching staff during the new leadership transition with assistant coach Cory Laylin and director of player development Matt Cullen being added. Assistant coach Ben Gordon returns for his ninth season behind the bench, while Paul Martin and Brennan Poderzay are back with the Maroon and Gold, but in new roles this year as assistant coach and director of goaltending development, respectively. Director of operations Jacob LeRoy continues his tenure at Minnesota for a sixth season.

BACK TO B1G STANDARDS

Across 13 years of hockey in the Big Ten Conference, Minnesota has been the gold standard, winning a league-leading seven regular-season titles. The Gophers secured a share of the championship in 2024-25 for their 30th overall title in program history and their third title in a four-year stretch. Michigan State is the only other team to win multiple championships, having won each of the last three years, while every Big Ten school except Michigan has claimed at least one title.

PRESEASON B1G RECOGNITION

Three members of the Minnesota men's hockey team were named to 2026-27 Preseason All-Big Ten Conference Teams in forward Brodie Ziemer (first team), goaltender Luca Di Pasquo (second team), and defenseman Evan Murr (second team). As a team, the Gophers were picked to finish fourth as voted upon by the league's head coaches.

BUILT FOR THE BIG STAGE

Last season, Minnesota failed to reach the NCAA Tournament for the first time over the previous six seasons. Despite not reaching the postseason event, the Gophers have made 42 tournament appearances in program history, tying for the most by a single NCAA team. The Maroon and Gold own 62 all-time tournament victories, the most of any college hockey program, while its 23

FORMER RIVALRIES RENEWED

Since the Big Ten Conference added men's hockey in 2013, Minnesota fans have politely asked to see the Maroon and Gold play more games against former WCHA opponents, which includes several regional programs. The 2026-27 schedule provides that opportunity as all 10 nonconference matchups and 14 total games will be against teams from the Gophers previous conference.

PROMINENT PORTAL PICKUPS

Coach Larson and Minnesota were aggressive in their offseason approach to the transfer portal, adding five players to its roster from within the NCAA ranks. The six newcomers account for 280 career games played, totaling 173 points on 63 goals and 110 assists. A trio of skaters made the move from St. Cloud State to Dinkytown with Coach Larson in forward Austin Burnevik and defensemen Tanner Henricks and Finn Loftus. The Gophers also made a major splash by bringing in Evan Murr, a 2026 First Team All-America selection from Minnesota State to enhance their blue line. Coming off an undefeated 2-0-1 record in goal at Michigan State a year ago, Melvin Strahl will now don the Maroon and Gold as he begins his sophomore campaign in Minnesota.

RARE SCORING PUNCH

The Gophers return nearly 60 percent of their offense thanks to seven players that reached double-digit scoring a season ago. Brodie Ziemer (36) and LJ Mooney (30) each crossed the 30-point mark, while the addition of Austin Burnevik and his 38-point sophomore campaign from St. Cloud State last year makes for a formidable scoring punch. It will be the first time since 2012-13 that Minnesota will roster a pair of 20-plus goal scorers after Ziemer and Burnevik put away 23 and 20 goals, respectively. The last time that happened, Nick Bjuggstad (25) and Erik Hauila (20) hit the mark before beginning their extended NHL careers.

GOALTENDING BATTLE

For the second-straight season, the Gophers added a goaltender from the transfer portal that will compete for the starting job. Returning senior Luca Di Pasquo posted the B1G's second-best save percentage during league play and was one of two NCAA netminders to defeat all four NCAA Frozen

Four participants last season. He is joined by fifth-round NHL draft pick Melvin Strahl, who comes to campus as a sophomore after posting a 2-0-1 record in his freshman campaign at Michigan State with wins over Northern Michigan and Colgate. Alex Sabev rounds out the goaltending trio as he begins his college career following a 2025 Dineen Cup championship with the NCDC's Idaho Spud Kings.

SECOND YEAR IN MAROON AND GOLD

The Maroon and Gold will rely heavily upon its nine sophomores to avoid the dreaded "sophomore slump" and push the team to success. The six returners from the class combined to put up 29 goals a year ago, led by eight tucks from Javon Moore and seven by LJ Mooney, to go with 82 total points. That accounts for more than 55 percent of the team's returning offensive production.

ROOKIE CLASS DOES IT ALL

The Gophers brought in seven freshmen to round out the remainder of their newcomers for 2026-27. The group adds high-end talent across the lineup from offense to defense. Despite being the two youngest players on the roster, Jacob Kvasnicka and Wyatt Cullen bring in flashy skill sets and gaudy scoring production. Brooks Cullen and Jackson Nevers add strong depth down the middle as 200-foot centers entering their freshman year. Along the blue line, Axel Löfgren and Tarin Smith provide battle-tested experience following extensive junior careers. Löfgren comes to campus as one of the 10 oldest players for the Gophers, while Smith played more than 200 games in the Western Hockey League. Goaltender Alex Sabev will be tasked with bringing a steady effort to push the position group.

BROTHERLY BOND COMES TO DINKYTOWN

Immediately after brothers John and Luke Mittelstadt finished up their four-year careers wearing the Maroon and Gold in 2025-26, a new set of brothers joined the program in similar fashion. Despite being separated in age by almost exactly two years, Brooks and Wyatt Cullen both enter their first collegiate campaigns at Minnesota in 2026-27. It will be their first time ever skating on the same team after Brooks played last season in the USHL with the Fargo Force, while Wyatt spent the year with the U.S. National Team Development Program.

PRODUCTS OF MAJOR JUNIOR

The Gophers turned to the Canadian Hockey League (CHL) to welcome in a trio of newcomers to the lineup as Christian Humphreys, Jacob Kvasnicka, and Tarin Smith joined the program in 2026-27. Humphreys won the CHL's Memorial Cup with the Kitchener Rangers in 2025-26 after posting 85 points in 63 games, including a team-leading 58 assists. Kvasnicka was the top scorer for the inaugural season of the Penticton Vees in the WHL a year ago behind an 85-point campaign in 65 outings and pushed the team to the WHL Western Conference Championship series. A veteran of more than 200 games in the WHL, Smith served as the captain of the Everett Silvertips last season and guided the team to the franchise's first-ever Ed

GOPHER NOTES CONTINUED

Chynoweth Cup as WHL champions. He closed his junior career as Everett's all-time leading scorer among defensemen thanks to 176 points.

DOUBLE THE SWEDE

For just the second time in program history, the Gophers have two Swedish-born players on the same roster with blue liner Axel Löfgren from Luleå and goaltender Melvin Strahl out of Sollefteå. Löfgren and Strahl are also very familiar with each other having previously been teammates through the historic MoDo Hockey Club from 2021 to 2023. The last time a pair of Swedes were together on a Maroon and Gold lineup happened in 2014-15 when Leon Bristedt and Robin Hoglund were both freshmen.

GROWTH SPURT

Minnesota will begin the season with one of its tallest teams to date, as the average height of its players is just over 6 feet, 1 inch, making it the ninth-tallest team in college hockey this year. That number is bolstered by the addition of Austin Burnevik and Tanner Henricks, both listed at 6-4, as well as Axel Löfgren at 6-3. Sophomores Jacob Rombach (6-6) and Javon Moore (6-5) remain the tallest Gophers.

AGE IS JUST A NUMBER

Of the 26-man roster this season, a majority are underclassmen, featuring seven freshmen, while the largest single class for the Gophers in 2026-27 is the nine-member sophomore class. The youth movement has brought the collective age of the team down to 21 years and 12 days (as of Oct. 2), Minnesota's youngest roster since the 2022-23 season and is the eighth youngest in the country. Wyatt Cullen is one of the youngest players to take the ice for the Gophers in the last two decades as the Moorhead, Minn., native celebrated his 18th birthday less than a month before opening day.

THAT'S MY NAME TOO

Senior Axel Begley was the first player in Gopher hockey history to carry the first name Axel. This year, he is joined by another Axel in freshman defenseman Axel Löfgren. Minnesota also has two players named Tanner with returning forward Tanner Ludtke and newcomer Tanner Henricks, as well as two players that share the name Jacob in sophomore Jacob Rombach and rookie Jacob Kvasnicka, making for three sets of matching first names on this year's roster.

MINNESOTA, THE STATE OF HOCKEY

The state of Minnesota continues to be a driving force in college hockey with 217 NCAA Division I men's players coming from within state lines. That number is nearly a quarter of the 908 American-born student-athletes and almost triples the next closest state, per data from College Hockey Inc. The Gophers contribute heavily to that total with 19 homegrown

players on this year's roster, including eight of their 13 newcomers. Remarkably, 17 of those 19 Minnesota-born players are from within 30 miles of 3M Arena at Mariucci.

15 NHL DRAFT PICKS, ALL GOPHERS

Minnesota will start the season with 15 NHL draft picks, the fifth-most of any NCAA program. This marks the third time since 2014-15 with 15 or more draft picks on the same roster and 26th time in program history. Seven players from the 13-member class of newcomers that joined the Gophers during the offseason have been drafted. After not having a first-round selection on the team a year ago, the Gophers welcome in 10th-overall pick Wyatt Cullen as the highest-drafted prospect for the Maroon and Gold this season. He was the 27th first-round pick in program history and the first in the top 10 since Logan Cooley went third overall in 2022. Minnesota leads all NCAA men's hockey programs with 249 total draft selections. Dating back to 1974, at least one Gopher has been chosen in 52 of the last 53 NHL Entry Drafts, with 2001 standing as the lone exception.

PREMIER NHL PIPELINE

Thirty players with ties to the Gophers recently participated in NHL training camps, representing 20 different franchises, while 19 made the roster for opening night. The group is highlighted by six players that have spent more than a decade in the NHL. Minnesota's presence at the highest level remains unmatched across college hockey after 22 former players skated in the league last season, generating a program-record 194 goals, and increased the number of Gophers to reach the NHL to an NCAA-best 131.

FAMILY TRADITION CONTINUES

Minnesota hockey's historic family tradition continues today. Beckett Hendrickson wears the same No. 7 sweater as his dad, Darby, while Darby and his brother, Dan, combined for 124 points for the Gophers. Mason Moe's grandfather, Thomas, served as Athletic Director from 1999-2002 after being a two-sport athlete, playing football and baseball. Jackson Nevers followed closely behind his brother, Mason, who was a two-year captain and played 171 career games. Jackson's father, Tom, also played hockey for Minnesota and was selected in the 1989 NHL Entry Draft before being a first-round pick in the 1990 MLB Draft. Sophomore LJ Mooney joined his cousin, 2023 First Team All-American Logan Cooley, as two of the program's now four Pennsylvania-born players. Jacob Kvasnicka has Maroon and Gold in his veins after his father, Jay, and older brother, Michael, played baseball for Minnesota.

EYES ON THE NATION'S CAPITAL

Minnesota begins the quest for its 24th trip to the NCAA Frozen Four and sixth NCAA title when a champion will be crowned in the nation's capital at the end of the 2026-27 campaign. The Frozen Four is set for April 8 and 10 from Capital One Arena, home of the Washington Capitals.

3M ARENA AT MARIUCCI

In 1993, the old Mariucci Arena, located in front of Williams Arena, took on a whole new face when it relocated just north of its old home. 3M Arena at Mariucci brought a new look to Golden Gopher hockey. That look changed again in 2023 as renovations altered the ice sheet from its Olympic size to a more modern size, while also upgrading the ice infrastructure and arena lighting.

Prior to the 2012-13 season, the arena received a makeover as center-hung LED scoreboards, LED fascia boards and sound systems were installed.
